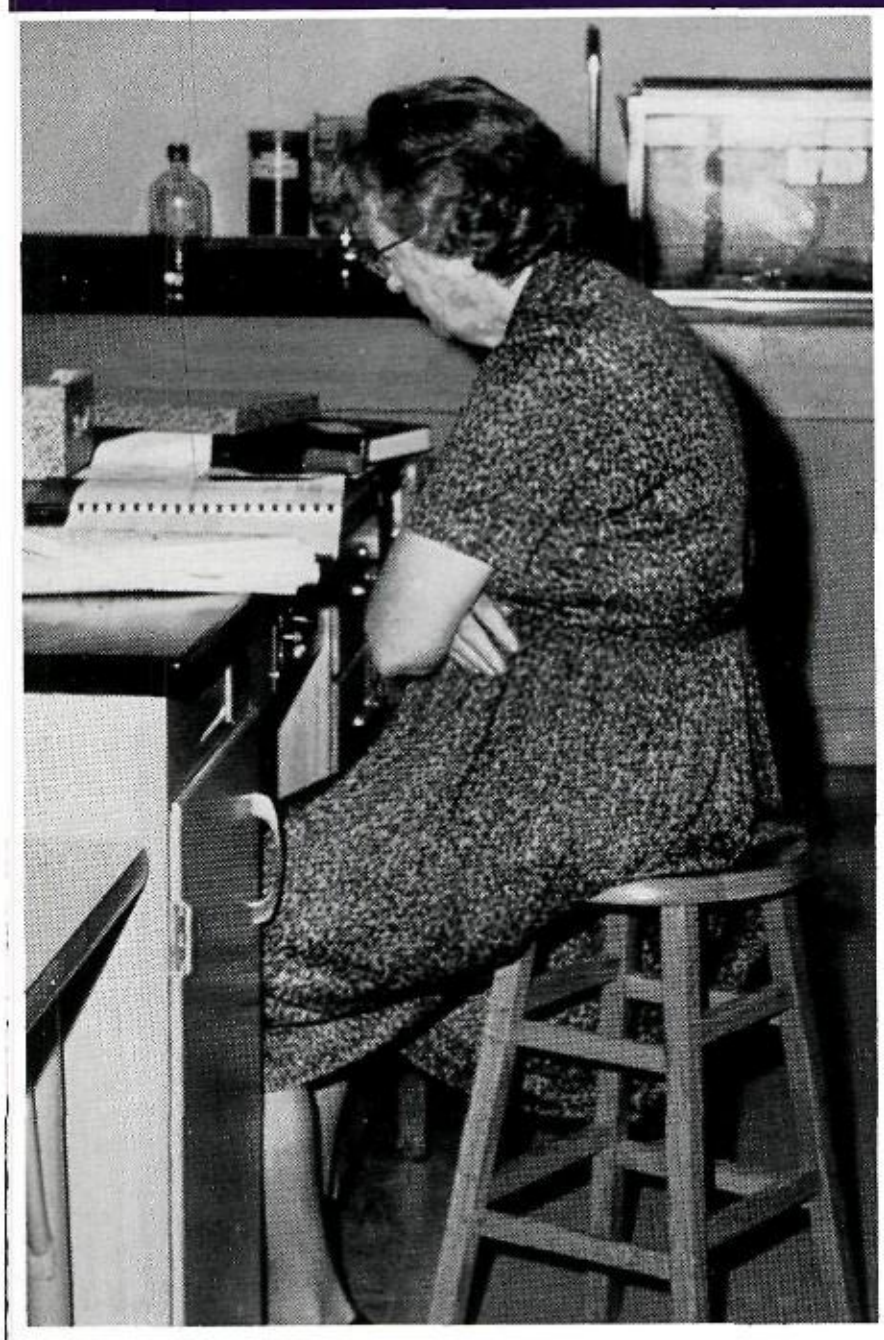
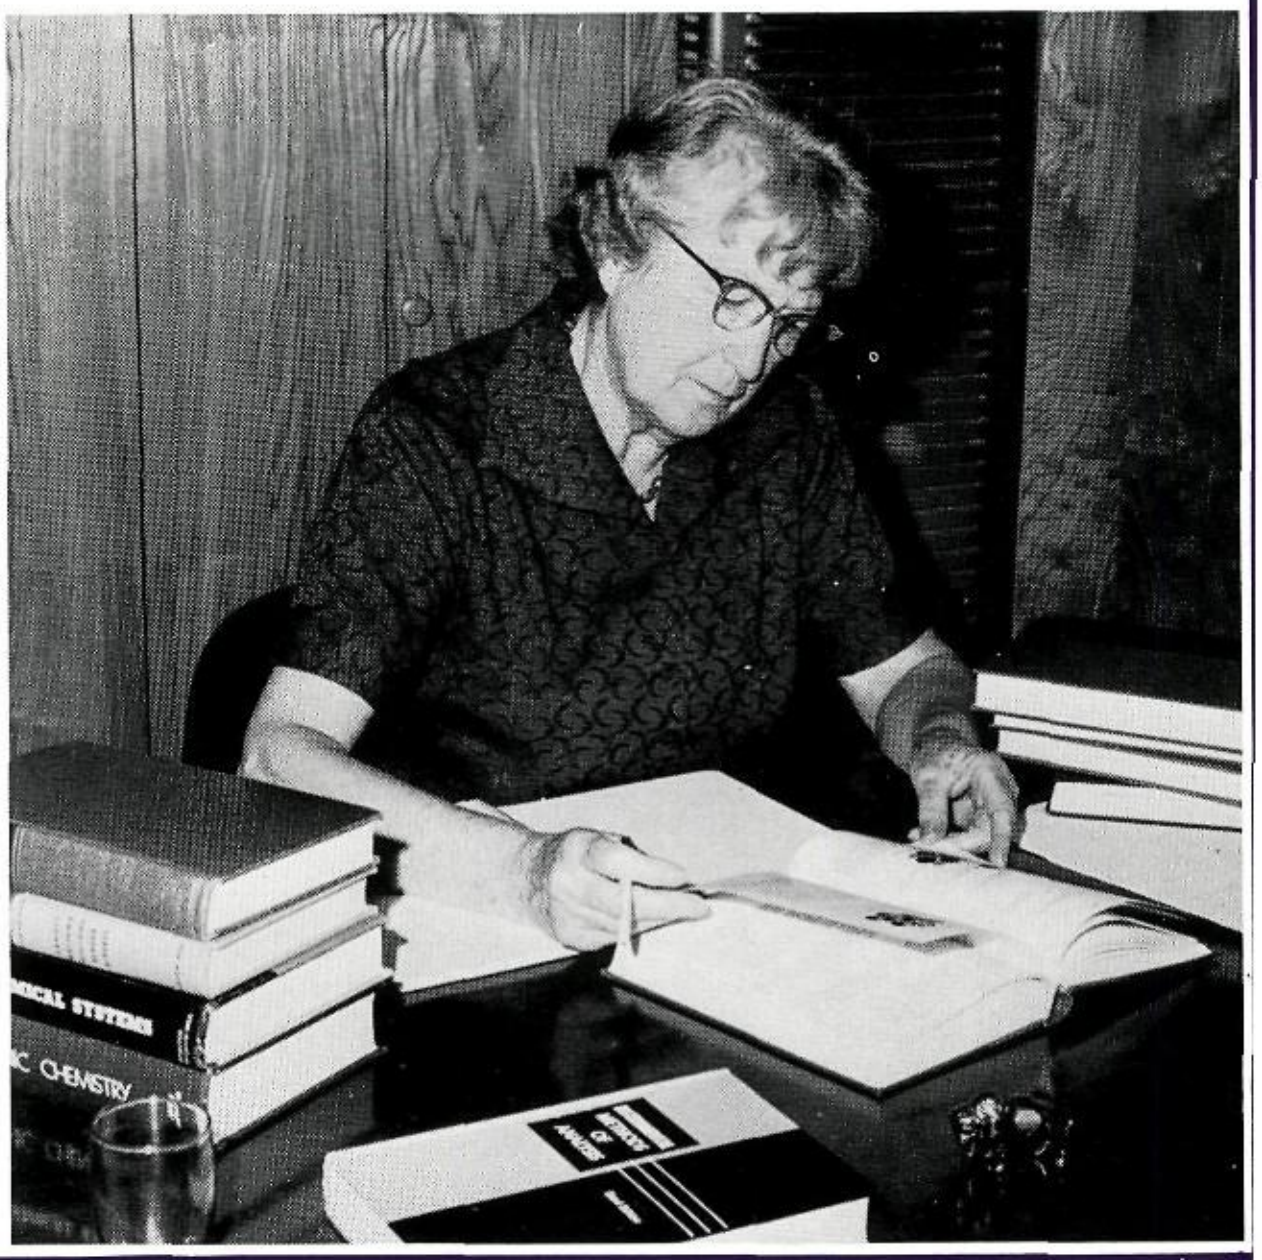
Sundial Honors Miss Ruth Morris

Sunset is one of the few schools in the nation which is allowed to use radioactive material. Our school is allowed to use this equipment because of the work and dedication of a member of the Sunset faculty, Miss Ruth Morris. Her deep concern for Sunset and its students is shown by her willingness to help students. Last year Miss Morris received the Fellow Award from The Texas Academy of Sciences. She has written biology manuals which were used in the Dallas schools. With admiration and deep appreciation the *Sundial* Staff proudly dedicates this 1965 *Sundial* to Miss Ruth Morris.



Miss Morris Participates in Varied Activities



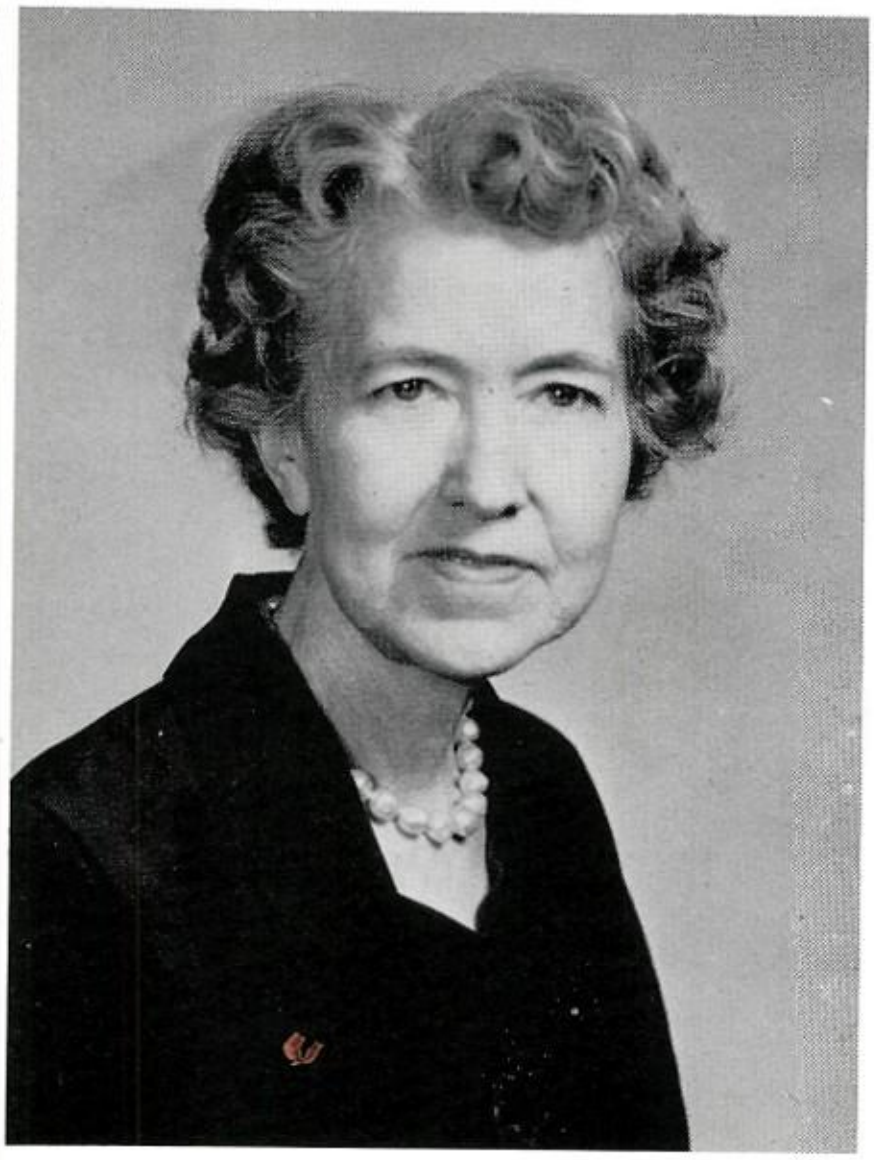
With sincere thanks for her outstanding teaching and her work on service projects as sponsor of The Junior Red Cross, the 1965 *Sundial* salutes Miss Martha Ferguson.

In appreciation for her constant devotion and loyalty to the students of Sunset as a teacher, Senior sponsor, and counselor, the 1965 *Sundial* honors Mrs. Juanita Presson.

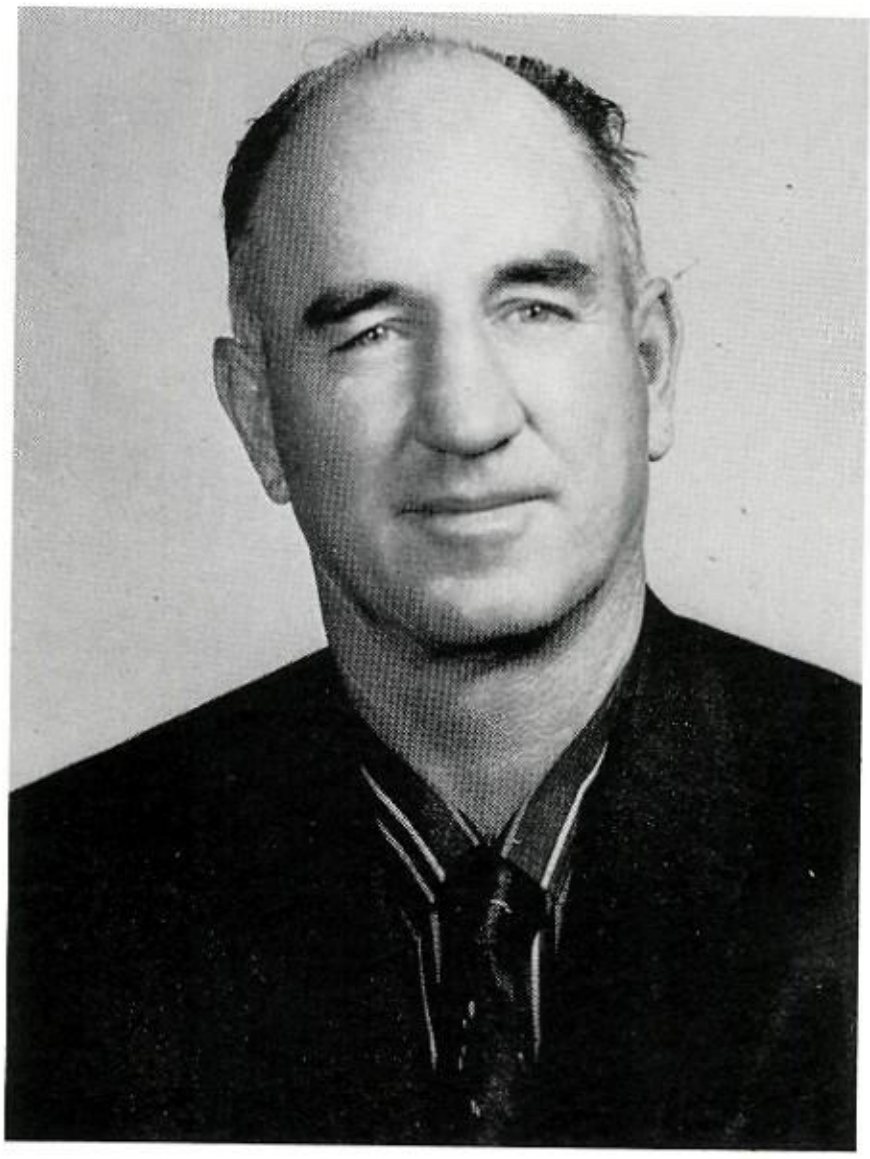
Sundial Tributes

The 1965 *Sundial* recognizes Miss Ruth Baker because of her friendly attitude as sponsor of Pen Pals and the knowledge which she imparted to her students.

Six Former Teachers

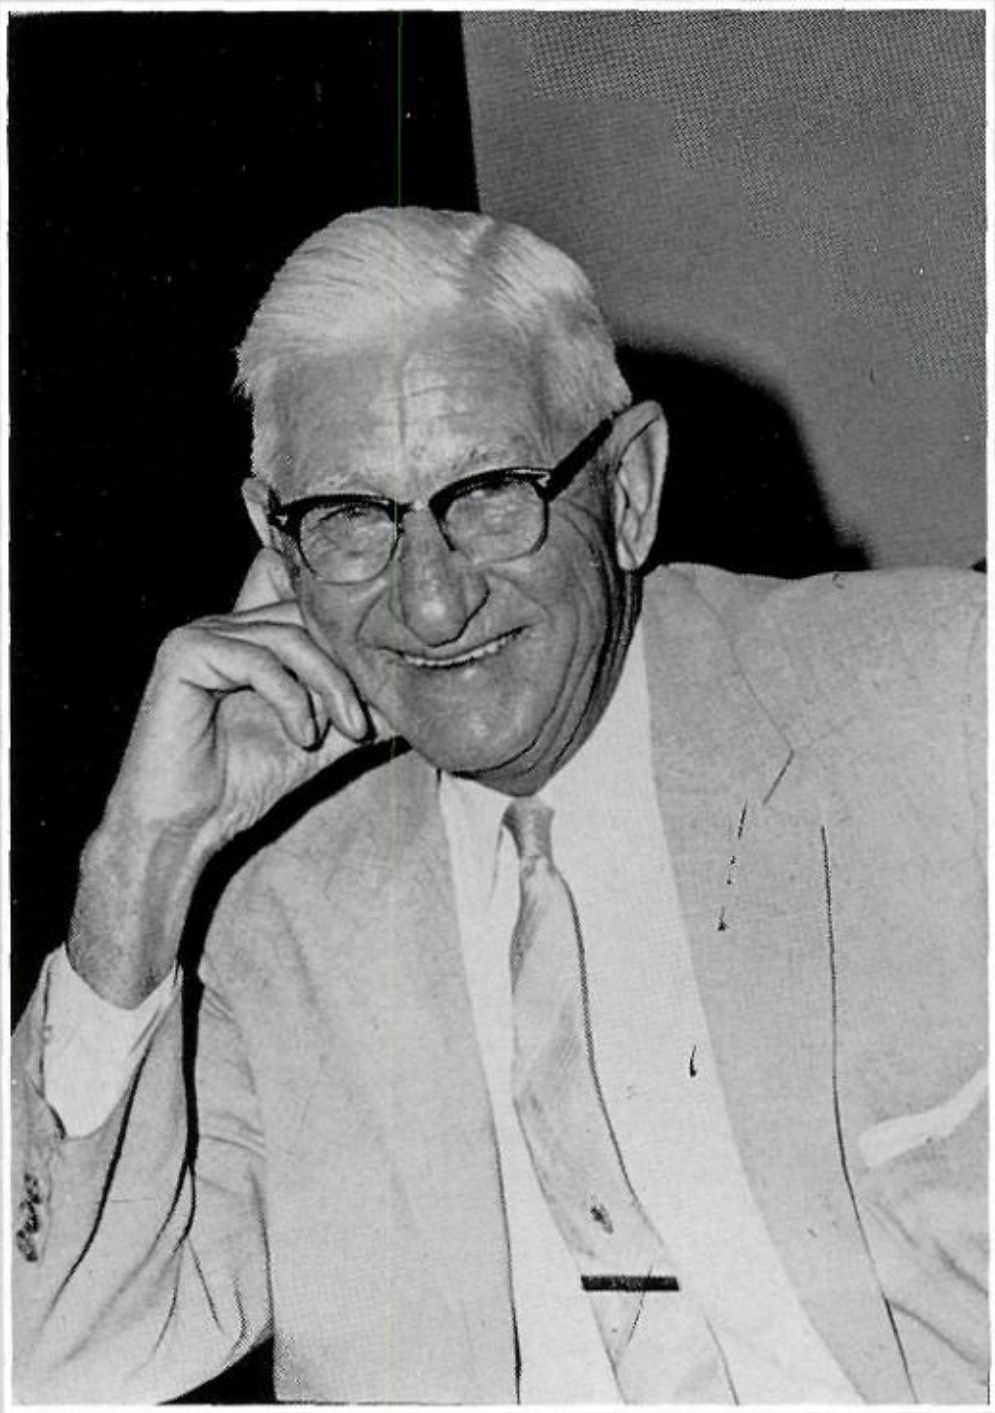


In appreciation for her sponsorship of award-winning Junior Classical League contestants and her true interest in the students, we recognize Miss Agnes Edwards in this 1965 *Sundial*.



With sincere thanks for the many hours spent coaching the football and track teams to victory and for his exceptional teaching, the 1965 *Sundial* acknowledges Mr. Byron Rhome.

The 1965 *Sundial* honors a member of the original Sunset faculty, Miss Lucille Stevens, because of her loyal support of the Bisons and her speeches in pep assemblies.



In Memoriam: *P. C. Cobb*

Mr. P. C. Cobb, renowned teacher and athletic director, passed away last summer while on vacation. Mr. Cobb began his teaching career in Dallas at Bryan Street High School immediately following World War I. When Sunset was opened in 1925, he was assigned as a member of the original faculty. Following his teaching at Sunset, Mr. Cobb for more than thirty years was the Athletic Director of the Dallas Independent School District. Cobb Stadium is a living memorial of Mr. Cobb, whom Dallas and Sunset will always remember.

Bisons Remember Mrs. Aubrey

Mrs. Mary Aubrey, study hall teacher at Sunset for five years, was tragically taken from us last summer. A former missionary, Mrs. Aubrey was a sponsor of the Morning Meditations Committee. All Bisons miss Mrs. Aubrey, but we remember her sunny disposition which brightened the life of everyone who knew her.

Sunset Loses Devoted Friend

Last November Mrs. Belma Wood passed away after a short illness. She formerly worked for the Draft Board, but for more than eighteen years Mrs. Wood was library assistant at Sunset. Her helpfulness and sense of humor will long be remembered.

Bisonettes Display Skills at Halftimes

The Bisonettes, sponsored by Mrs. Oma Ford, begin their practice sessions two weeks before school starts. Football games, parades, and precision routines fill the girls' schedules. Choir Performs for Special Occasions

Under the direction of Mr. Bill White the Concert Choir performs early in the fall and carries the excellence throughout the school year. The Christmas program, caroling in the halls before the holidays, and the musical, "Brigadoon", are just a few of the many achievements of the Choir. This year marked a first for the Sunset music department as the Choir taped performances which were heard over the radio and shown on television. Indeed these typical Bisons uphold the Sunset tradition of FRIENDSHIP and SPIRIT.

Sundial Staff Presents Pictorial Record

The 1965 *Sundial* Staff is especially proud of its theme; SPIRIT, KNOWLEDGE, and FRIENDSHIP. Each section provides layouts, copy, and pictures which carry this theme through the book. The typical Bison was caught in all phases of Sunset life, whether it was clubs, classes, or extracurricular activities. Another year ends, but the 1965 *Sundial* lives on as a fine representation of true Sunset tradition.

Col. and Mrs. Brock honor cadets by leading the Grand March.

Linda Holyfield Crowned Queen

The Military Ball is a treasured memory for most cadets, a high point in every school year. The cadet dresses in his formal uniform, including white shirt and bow tie and, with a beautifully dressed young lady comes to school for an evening of dancing and the thrilling coronation of the Queen.

This year's Military Ball was held on January 16. Early Saturday morning, members of the Officers' Club, Drill Team, and Rifle Team met in the girls' gym and proved that given enough time and materials, a group of brawny boys can turn a ghastly looking gymnasium into a parachute paradise. All were pleased with this year's Military Ball.

Teams Display SPIRIT

Athletics at Sunset help to build in each student a sense of sportsmanship both on and off the playing field. SPIRIT can be seen in all parts of the athletic program. The SPIRIT shown by the various teams in their daily workouts, and the winning SPIRIT that is expressed by both the teams and the student body is outstanding. Not only is this great SPIRIT expressed when our teams are winning, but also it can be seen to the same, if not a greater extent when the "chips are down."

The types of athletic games of Sunset range from hard-hitting football to fast-paced swimming. Athletics supply an excellent outlet for the energy that is built up throughout the week and help to build good character.

Robert May displays winning form.

Cross Country requires extra effort.

FOOTBALL

New Coaching Staff Comes to '64 Bisons

The undaunted SPIRIT displayed by the team on the playing field and the student body in the stands kept a gleam in the eye of the Burly Bison during a long football season. This was the first year that the Bison Team was under the leadership of Coach Floyd Mechler. The football season was one of many disappointments and also many joys. The Bisons fought hard the entire season and if a few of the breaks had gone the other way the outcome of some of the games would have been reversed.

Sunset 0 – Richfield 28

The Bisons took the opening kickoff against the Rams of Waco Richfield and promptly marched to the Waco thirty yard line. Here the Bisons lost the ball with one of their four fumbles of the night. For the next few minutes the ball changed hands four times before it ended up on the Bison ten yard line. Four plays later the Rams went over for the score. After a third period score by the Rams, the Bisons came back with their most serious threat of the evening. The drive was halted by a pass interception. Waco then made their final score of the night and won the game 28-0.

Bisons stop Richfield for no gain.

Savage is tackled after a substantial gain.

Bisons 0 – Cougars 40

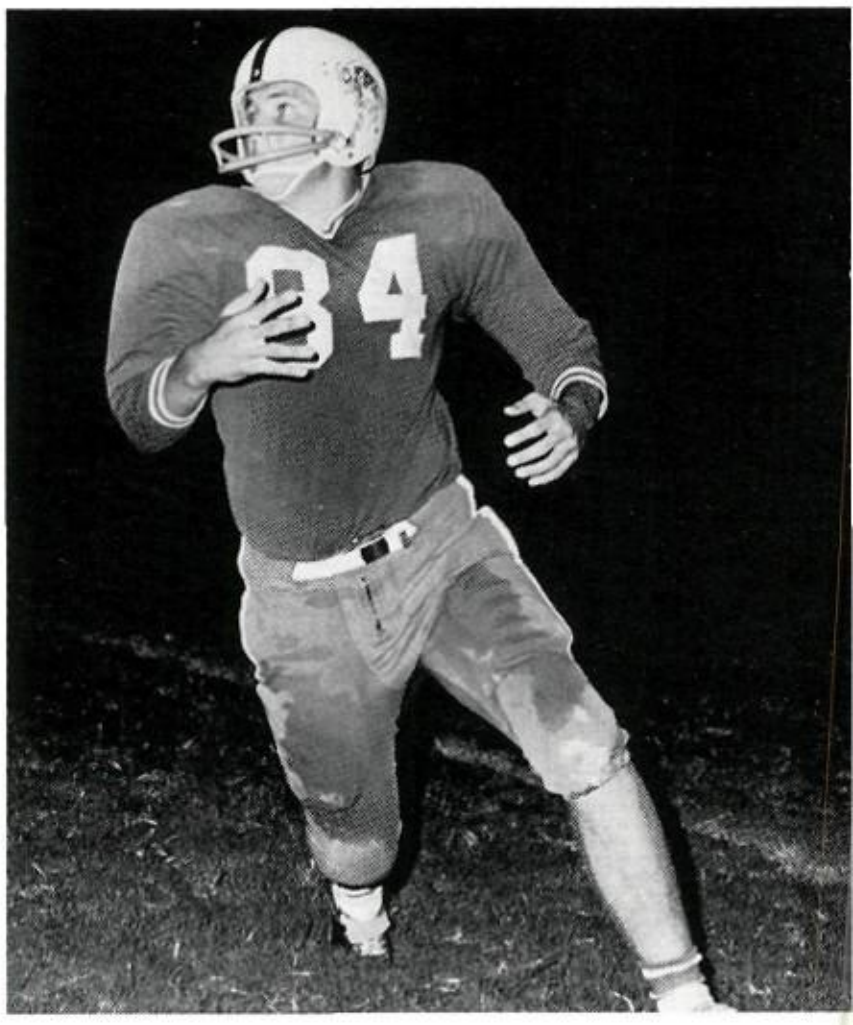
The Cougars returned the opening kickoff 88 yards for a touchdown. After this beginning, the only happy moment for the Bisons was late in the second quarter when Savage took a pitchout from Miller and went off tackle to score, but this was called back because of an off-sides penalty. The Bisons fought hard the whole night, but Hillcrest was too much for them.

Marshall is in hot pursuit.

Bisons 7 – Panthers 37

A strong running offense proved too much for th defense of the Bisons. The only moment of glory fo the Bisons came in the last three minutes when the moved 53 yards, both passing and running, for th only Sunset tally of the night. The concluding play o the drive was a 7 yard run by Mike Kelly for th touchdown.

Jones keeps his eye on the ball.



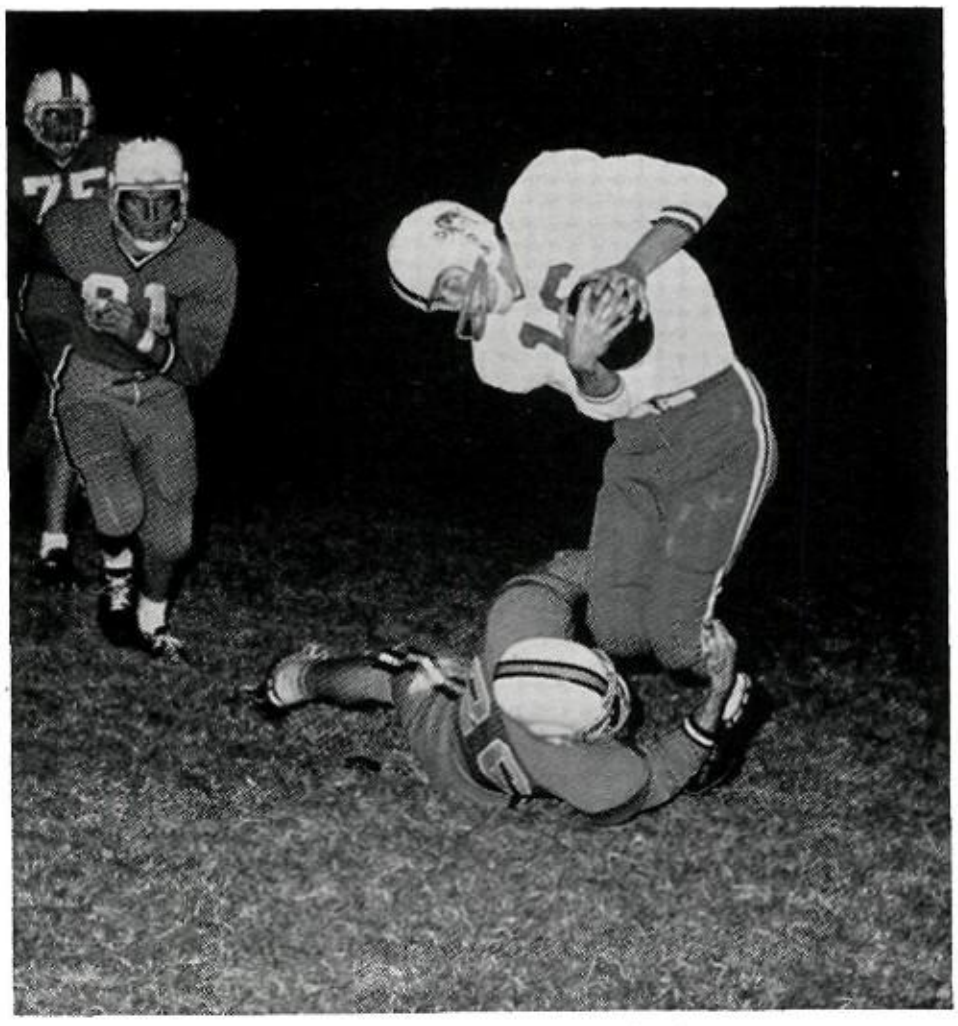
The Bisons are ready for the snap of the ball.

Sunset 6 – Temple 15

The "Big Bison Team" went to Temple, Texas to take on the Temple Wildcats in a football game that had the Buffs within one point of a tie before the Wildcats went ahead to win. The Bisons were able to hold the Temple team to a scoreless first quarter, but the Wildcats got moving in the second period and went ahead 7-0. Then in the third period the Bisons got a big break. After recovering a fumble on their own 9 yard line, the Buffs moved to their 24 yard stripe where they were forced to punt. Darrel Alsabrook knocked Wildcat, Gary Bridges, loose from the ball and the Bisons recovered the ball on Temple's 37 yard line. Seven plays later Ricky Marshall caught a Jack Miller pass and went in for the score. The try for the extra point failed making the score 6-7. In the final period the Wildcats scored their final tally and won the game 15-6.

Marshall goes around right end.

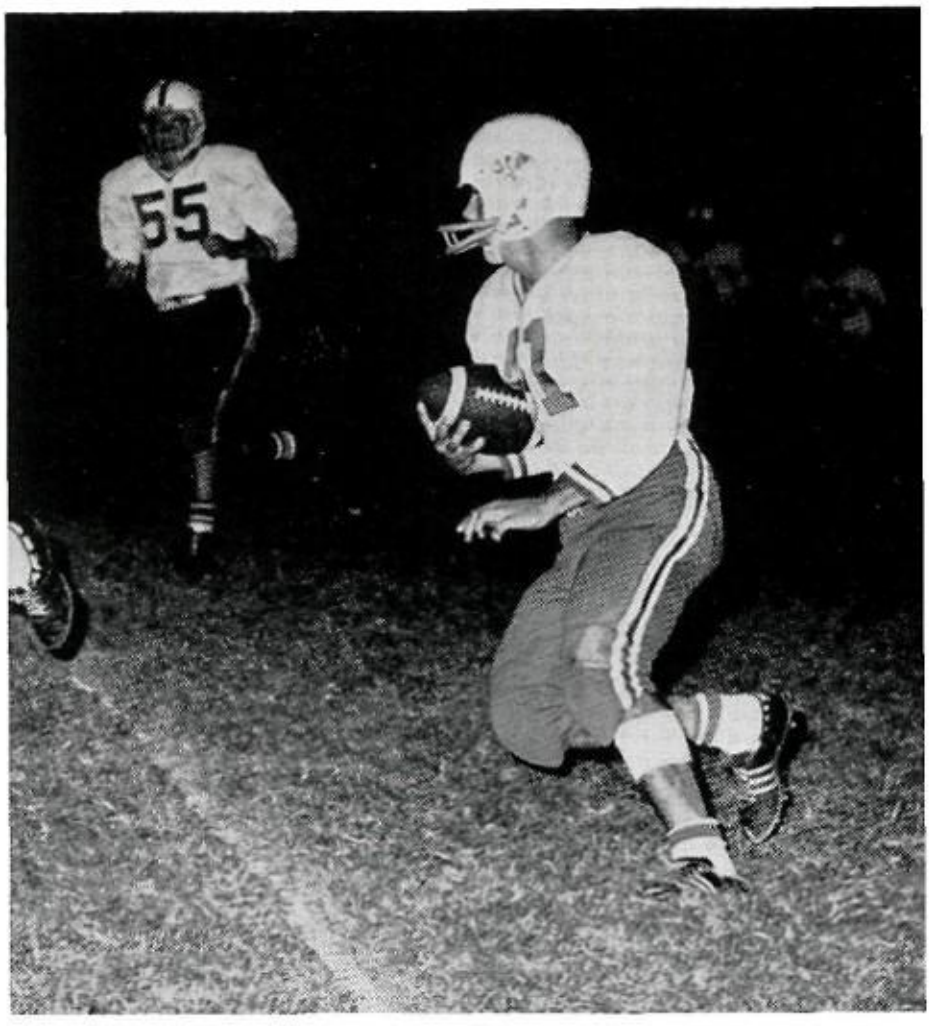
Horstmann makes grab for ball.



Miller gets caught from behind.

Sunset 13 – Spruce 25

In the first meetings of the Bisons and the Apaches of H. Grady Spruce the Apaches came out the victors by a score of 25-13. The first score came when Jack Miller connected with Stanley Savage for 26 yards on the Apache 11. A couple of plays later Mike Kelly went in for the score. Their only other score came when James Mayo intercepted a pass and ran it back to the Apache 11. Mike Kelly carried the ball across the double stripe for the score.

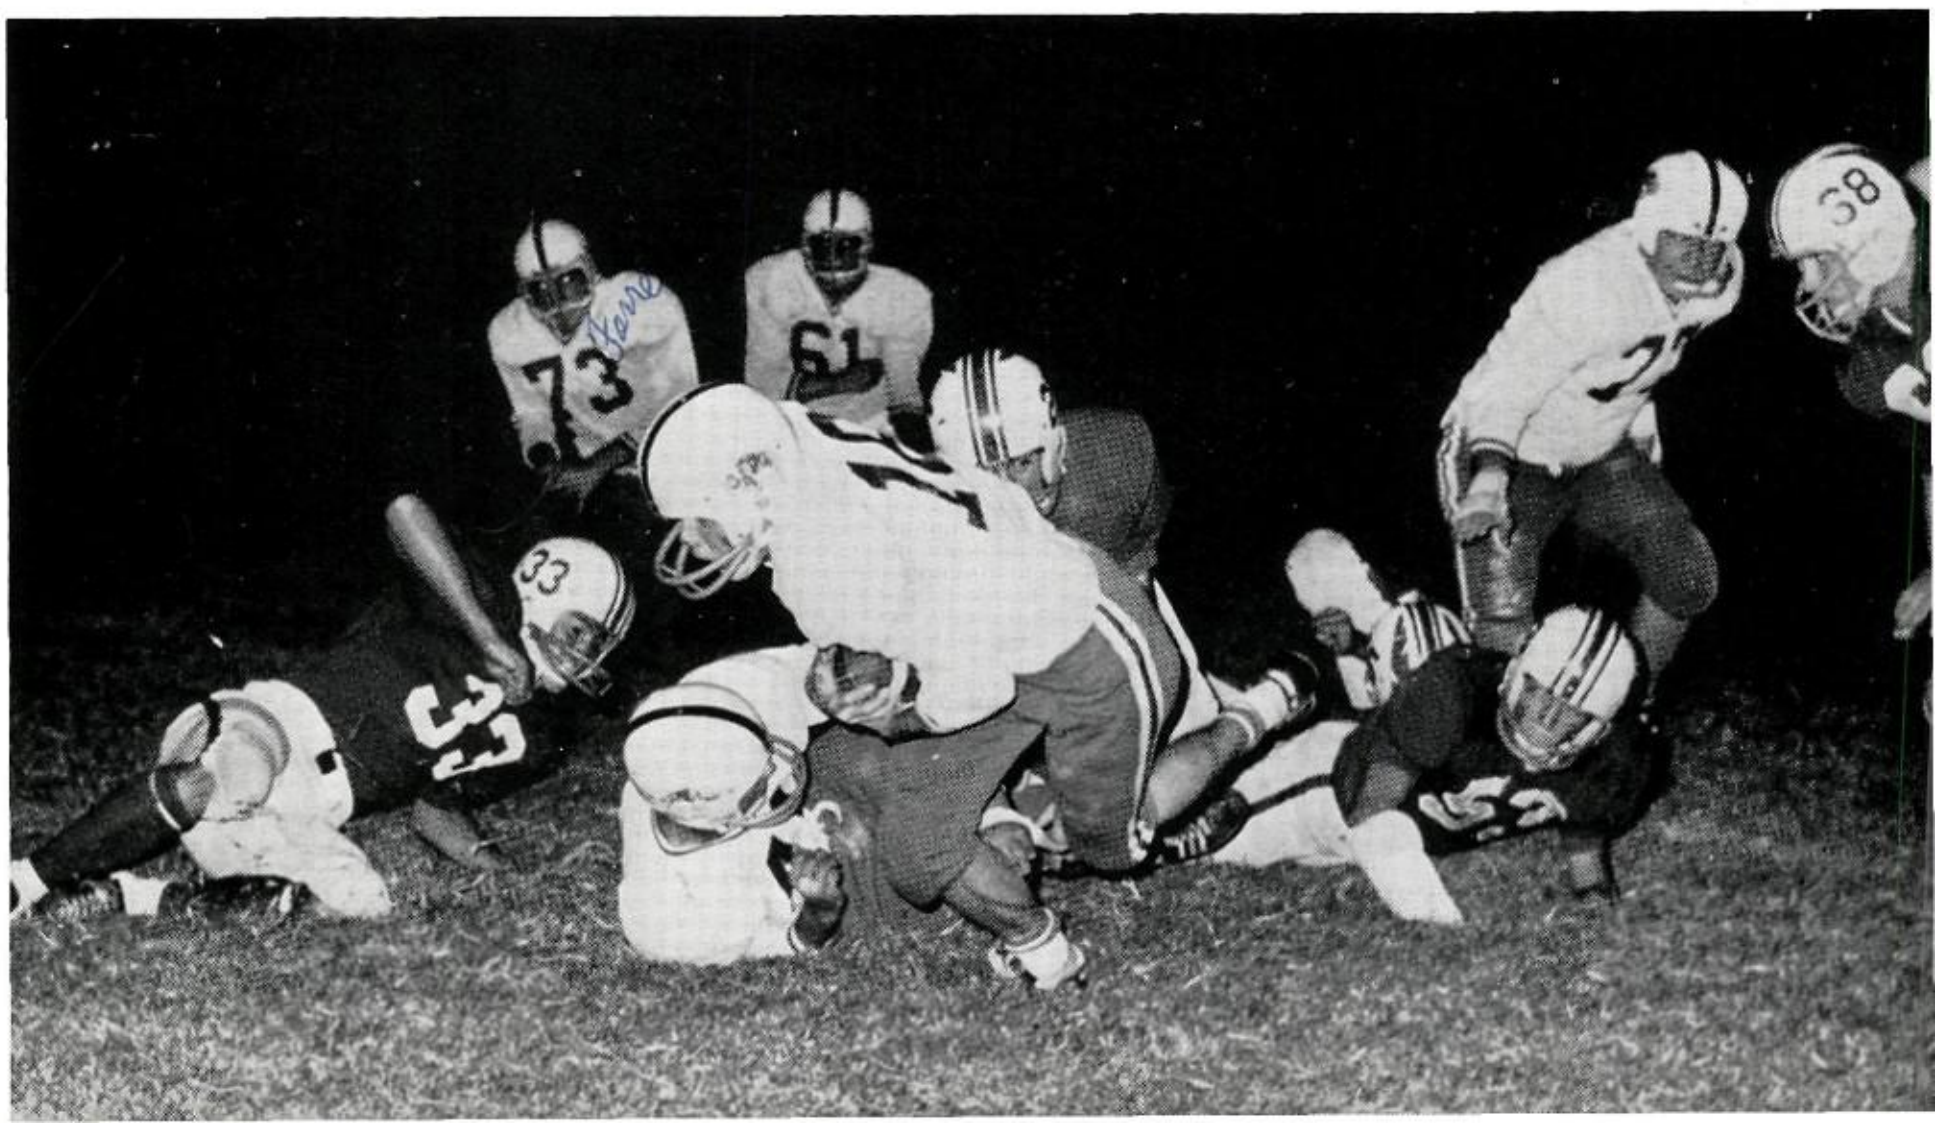


Kelly makes good yardage.

Sunset 7 – North Dallas 14

The Bisons were on their way to a victory when the suddenly lost their lead. With only 23 seconds of th third period gone the defensive end of the Bulldog intercepted a Bison screen pass and ran 30 yards fo the score. The Bison's only touchdown came early i the second quarter. Six plays later Kelly crashed acros for the score.

Miller slams over center.



Ricky Marshall recovers a Woodrow fumble.

Sunset 8 – SOC 35

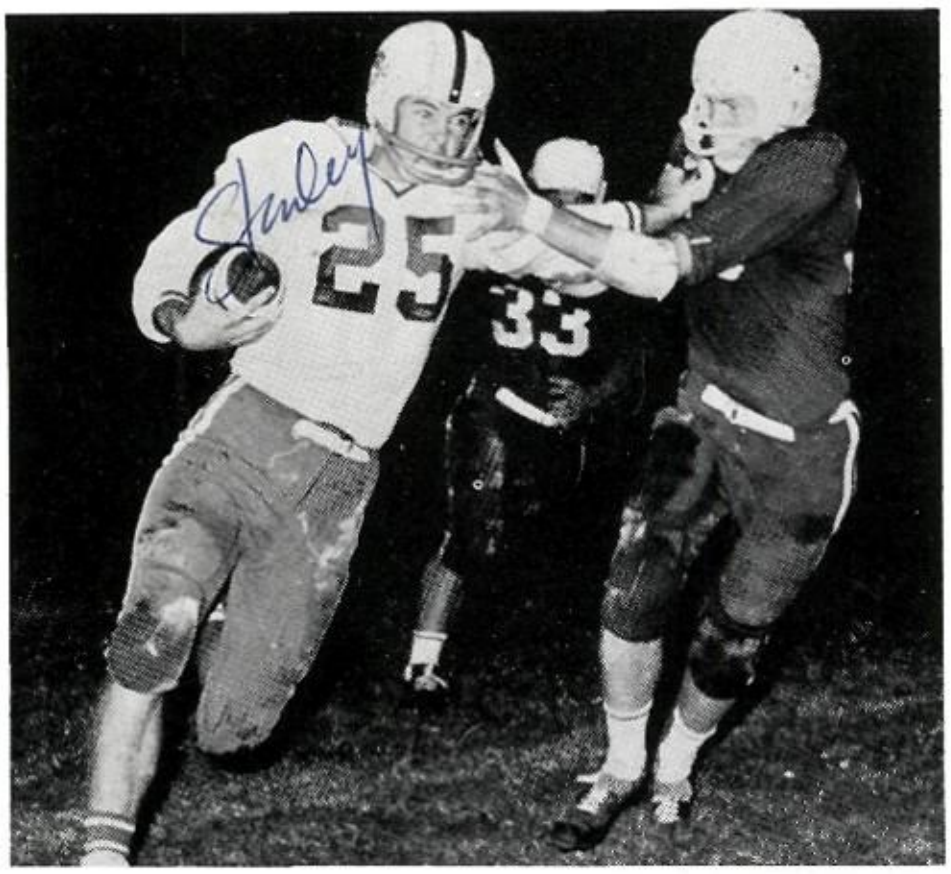
he Bisons received the opening kickoff of the game nd proceeded to shove the ball down the throats of he Golden Bears. On this drive the Bisons moved 49 ards making 4 first downs, but it was here the Bisons uck changed—the Bears intercepted a pass. From that oint until late in the last quarter the game seemed to elong to the Bears. Then late in the last quarter the isons came alive again. They moved the ball 64 yards 9 plays for their only score of the night.

Steve Haley stops Woodrow advance.

Sunset 6 – Woodrow 34

The hard fighting Bisons lost two fumbles and had one pass intercepted which set up three Woodrow touchdowns. It was not until the middle of the second quarter that the Bisons made any progress. Steve Haley faked a handoff, and he shot off tackle and ran 80 yards for the score. That turned out to be the only score for the Bisons in a game in which nothing seemed to be right for them, and everything went right for Woodrow. The Bisons would no sooner get a drive going until something would happen to halt it.

Jimmy Strawn makes a tackle in spite of opposition.



Savage works hard for yardage.

Packer stops end run for short yardage.

Sunset 6 – Kimball 28

When the traditional rivalry breaks loose between the Bisons and the Knights, one might as well throw away the record books. This year the Knights proved to be the stronger. The strong forward wall of the Knights held the Bison 11 to a slow pace until late in the last quarter when Pete Campbell recovered a Knight fumble that was turned into a score a few plays later.

Sunset 0 – Adamson 14

The last hope for a gridiron success by the Bisons w knocked off by the Adamson Leopards. The burly Biso were out for a win and looked as if they were goi to get it, but the tide was turned and the Bisons end on the bottom. The Bison did lead at one point by 7 and had the ball on the Leopard 1 foot line, but th were stopped by a fatal fumble. The Leopards ca back to win.

Knights have to work hard to gain territory.

Cagers Finish Season With 9-1 Zone Record

The Cagers started strong by beating Tech 71-31. In the next game they fought by Kimball with a score of 70-63. Kimball had a strong team but the excellent shooting from in close and outside proved to be the downfall of the Knights.

In the next game of the season the Cagers took on the North Dallas Bulldogs and squeezed by them 47-42. The Bulldogs looked as though they were out for blood, and they almost got it, but the Bisons were not meant to be blood donors.

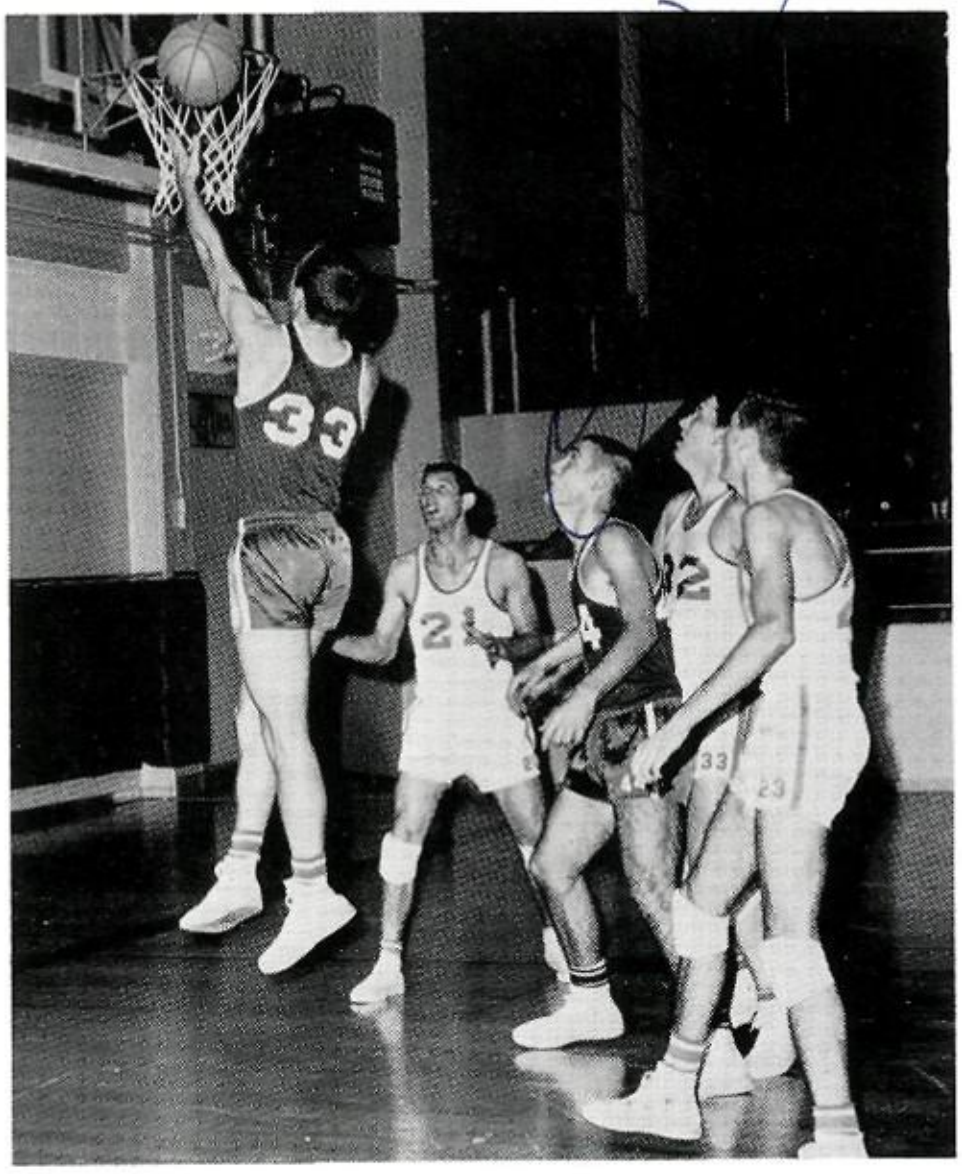
he Bisons came back from that squeaker with North allas to score a decisive victory over the Adamson eopards. The Bison cagers were able to move the ball ell and get in close for their shots.

When the Bison quintet meets the SOC Bears something has to give and this time it was the Bears. The Bears put up a good battle, but every man of the Bison team scored in the double figures to make 72 points.



Haley makes an easy two points.

Cagers Lose Only Game to Kimball

The Cagers only loss in zone competition was to the Kimball Knights by a score of 72-62. The Bisons were following at the half, but they were able to tie the game up in the third quarter. A strong last quarter put the Knights into the lead to win the game. The Bisons bounced back to win over North Dallas 55-39.

Cagers Lose City to Rebels

Nelms jumps at the start of the game.

In the first game at the city playof the T. J. Rebels pushed by the Cage by a score of 60-50. One of the majo causes for the defeat was the failure get rebounds. The two teams playe an even game through the first quart and most of the second quarter, b then the Rebels pulled ahead at the ha 27-20. The third quarter was eve worse. Then, in the fourth quarter th Cagers came alive and pulled the sco within 6 points, but T. J. kept ali to win the game.

In the second game the Bisons we overcome by a fast-clicking defense an steady shooting offense. The Ca ers never really seemed to get starte in their last chance for the crown.

Track – '65

The '65 Cindermen have a very good chance to win the tenth city championship for the halls of Sunset. This year's team is centered around the two returning lettermen Tommy Hott and Glenn Shank. The track team also got a new coach, Coach Tom Kelly, this year when the coach for the past four years, Mr. Jack Roten, retired. Coach Kelly has worked the team into shape and the team should make many good showings.

The events are divided into two parts—track and field. The field events include such things as shot put, broad and high jump, and pole vault. The track events include such things as the relays, hurdles, and dashes.

"B" Team Baseball Makes Strong Start

Bad weather caused the Baby Buffs to be late starting practice this spring. The team is composed of two strong junior high teams, Greiner and Stockard. COACH ROBERT LEACH

or the first time in the history of Sunset, there is a swim-ning team at the school. The man who is in charge of the wimmers is Coach Bob Leach. This year the team went hrough dry workout after school to get into shape. The eam then worked out every weekday from 7:00 to 8:00 the morning before school. In two meets before the city eet the team beat both the SOC and Kimball teams, and en in the city meet the team came out in fourth place, ead of both Kimball and SOC. In the meet the medley lay—a 200 yard race in which each boy swims a dif-rent stroke—Sunset's team finished third. Our other relay am, the 200 yard freestyle placed sixth. Two records were t by Sunset swimmers this year. Robert May set the record r the 100 yard breaststroke, while Roger Veal set the rec-rd in the 100 yard back stroke. Kenny Braun finished ird in the 100 yard freestyle.

Mr. Griffin Promotes Bison SPIRIT for Sixth Year

Thank you for a most satisfactory year in which you have lived up to the highest traditions of our school.

The most powerful force in a school is its SPIRIT. In Sunset we call it the Bison Spirit symbolized by the "Bison Head." In victory and defeat you have shown tremendous loyalty and devotion in maintaining and perpetuating this great feeling. You will always be remembered for your valuable contribution to Sunset tradition.

As we close this school year my best wishes go with you for the greatest success in your new adventures.

Sincerely yours,

W. S. Griffin

Mr. Stokes Stresses Importance of KNOWLEDGE

As we approach the end of another year and as you look back over the past days, you will find that they went just a little faster than they did the year before. This, coupled with the fact that you have a greater understanding of the world around you, shows that you are maturing into adulthood.

We have tried to give you some basic KNOWLEDGE which will be of use to you, and we have tried to encourage you to use it to the best of your ability. Some are leaving Sunset to enter college; some are going on to full-time employment, the greatest school you will ever attend; but whatever your plans may be, you must continue to study and learn as long as you live, for this is living. Those of us who remain will always remember you with love and affection.

Sincerely yours,

R. C. Stokes

Mrs. Vineyard Exemplifies FRIENDSHIP

All too soon, details of much that is important and vital to you of your daily school life at Sunset High School will fade in your memories, leaving only the deep feelings of emotions aroused by the games, the social events, the assemblies, and—even the problems that are ever-present in getting through high school days.

But remaining with you and sustaining you throughout the remainder of your lives will be the strong ties of FRIENDSHIP engendered and nurtured here. Truly, Sunset High School is "Out Where the West Begins"—where the skies are a little bluer and where FRIENDSHIP is a little truer.

Sincerely yours,

Catherine M. Vineyard

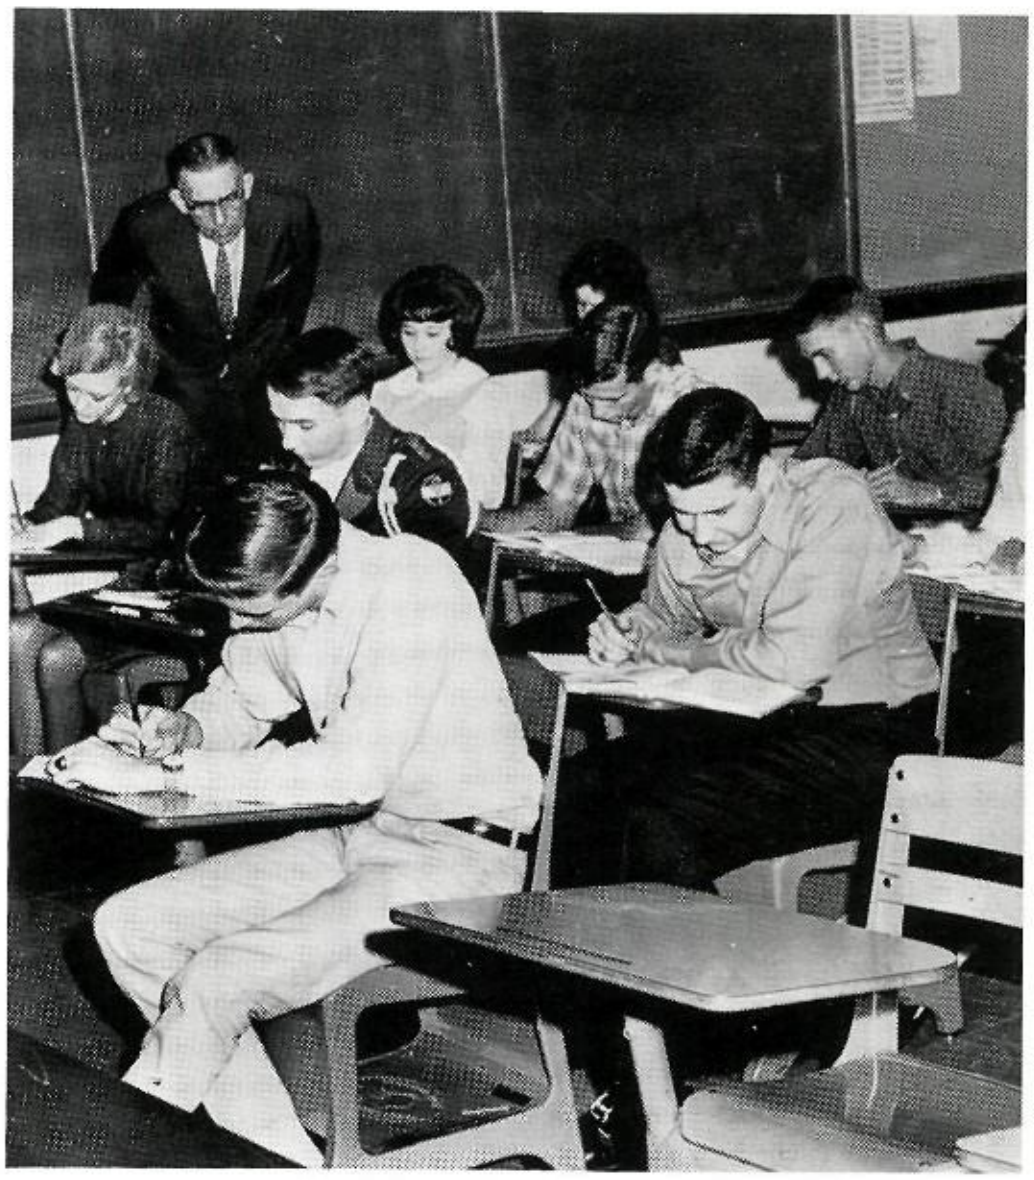
Future Newspapermen . . .

Journalism 1 and 2 students receive training in English as well as instruction in newswriting. In Journalism 1 the fundamentals of newswriting such as proofreading, copy editing, and layout are taught. Journalism 2 students gain valuable experience while they edit the biweekly Stampede.



Students concentrate on writing a correct headline.

Miss Smith guides English 9 and 10 students in their work.

English 9 and 10 Offers a Chance for Advancement

Honors courses should be considered an opportunity for those students who are capable of meeting the requirements for the courses. Specifically, the English 9 and 10 course strives to help the advanced student understand any piece of literature, recognize and discuss general ideas and themes, develop a point of view and select appropriate examples to support it, and read critically to reflect and to weigh.

A group of students discusses *Joseph Andrews.*

James and Tommy build a radio in the Electronics Lab.

Students Demonstrate Creativity Whi

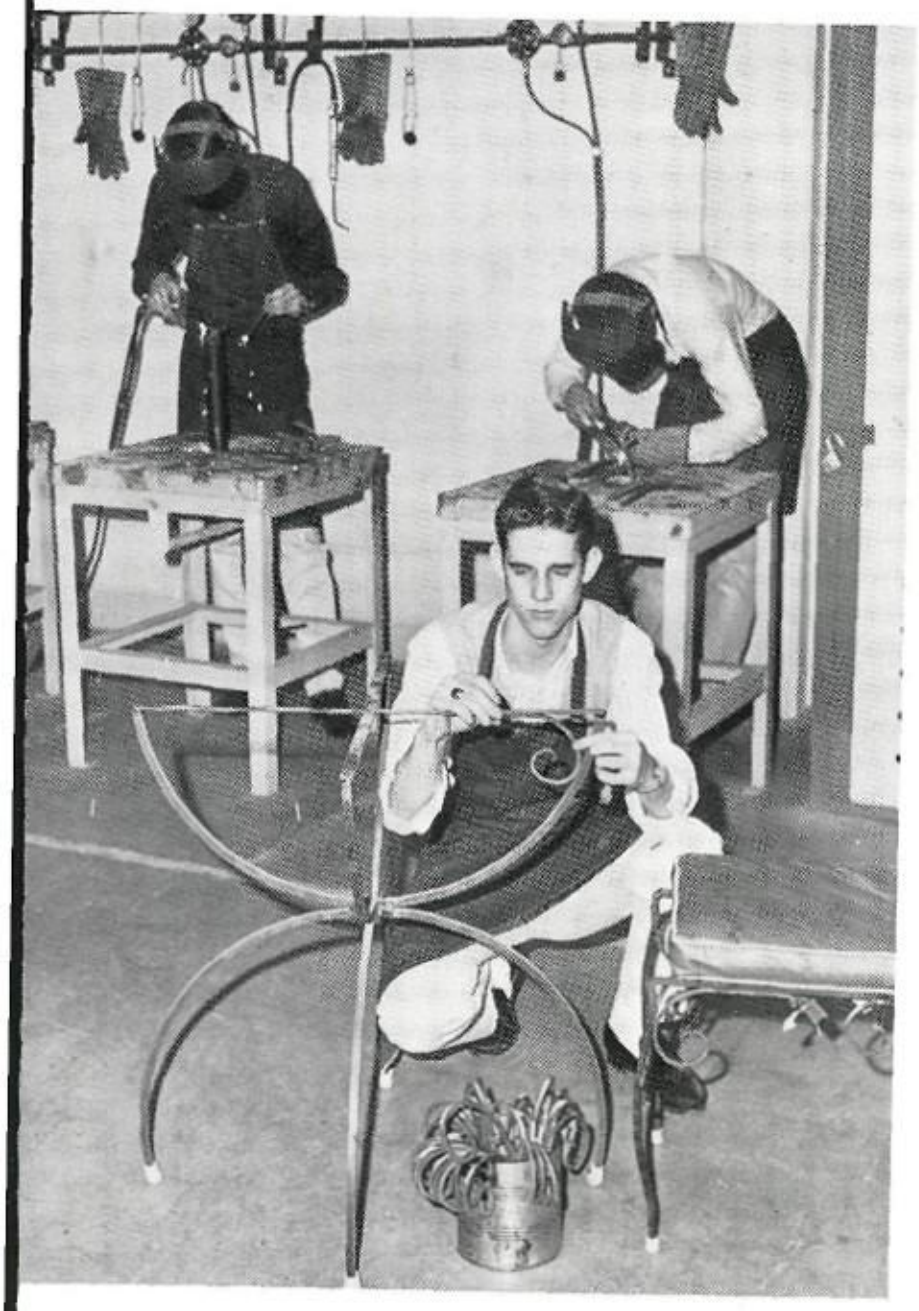
The Combination Shop is the first and the only one of its kind in Dallas. In the Electricity-electronics Lab, equipment is available for the making of hi-fi equipment and small radios of all kinds. In the Plastics, Wood and Fiberglass Lab gear-shift knobs, fiberglass seats and i boxes are made. In the Metal and Welding Lab the s dents make camping trailers, wrought metal furnit and metal castings of various kinds.

Students sketch patterns before beginning their projects.

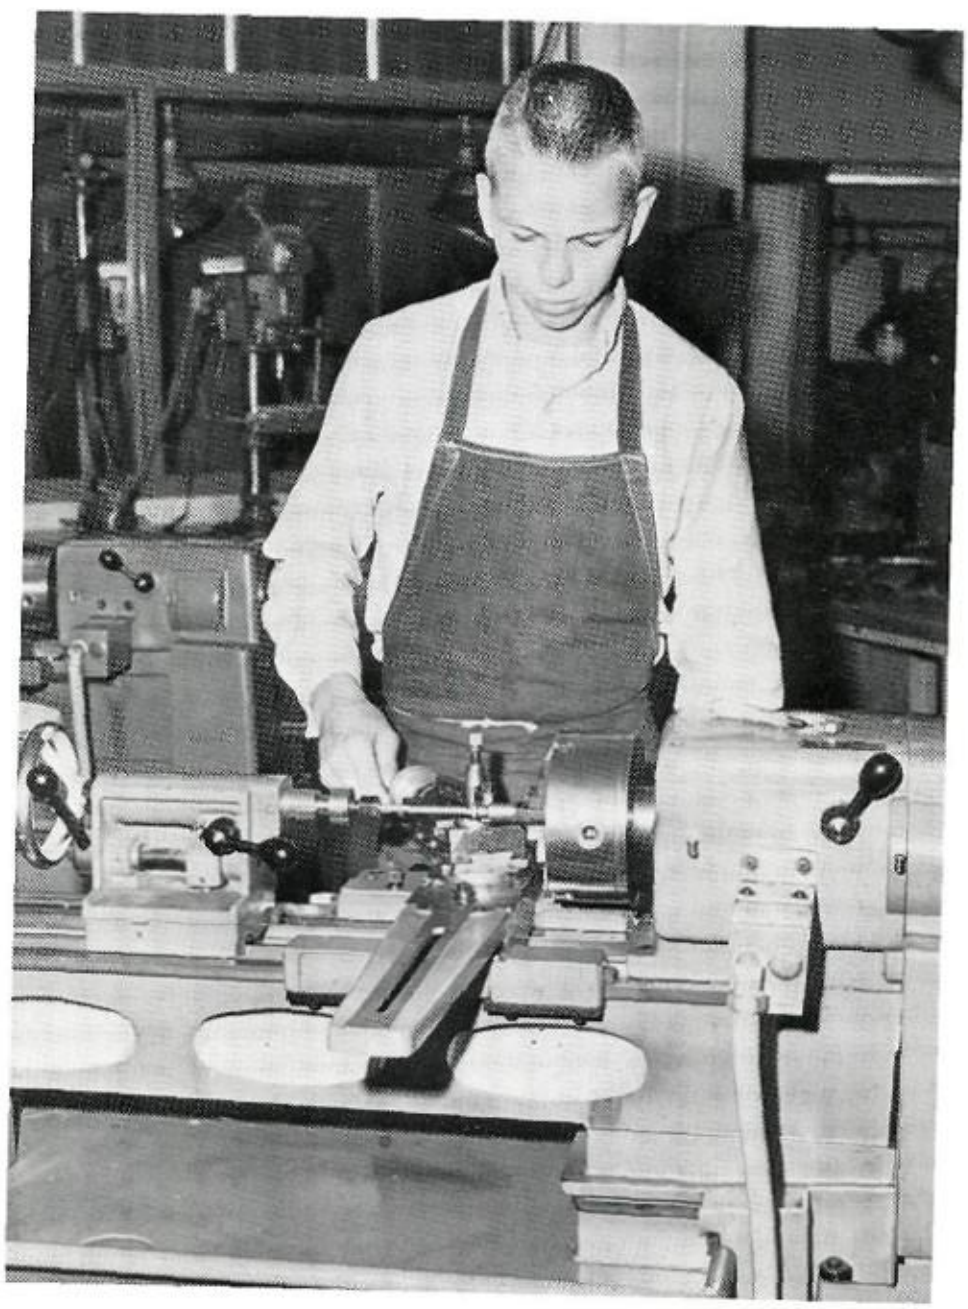
Mr. Whitehall supervises the work in the Combination Shop.

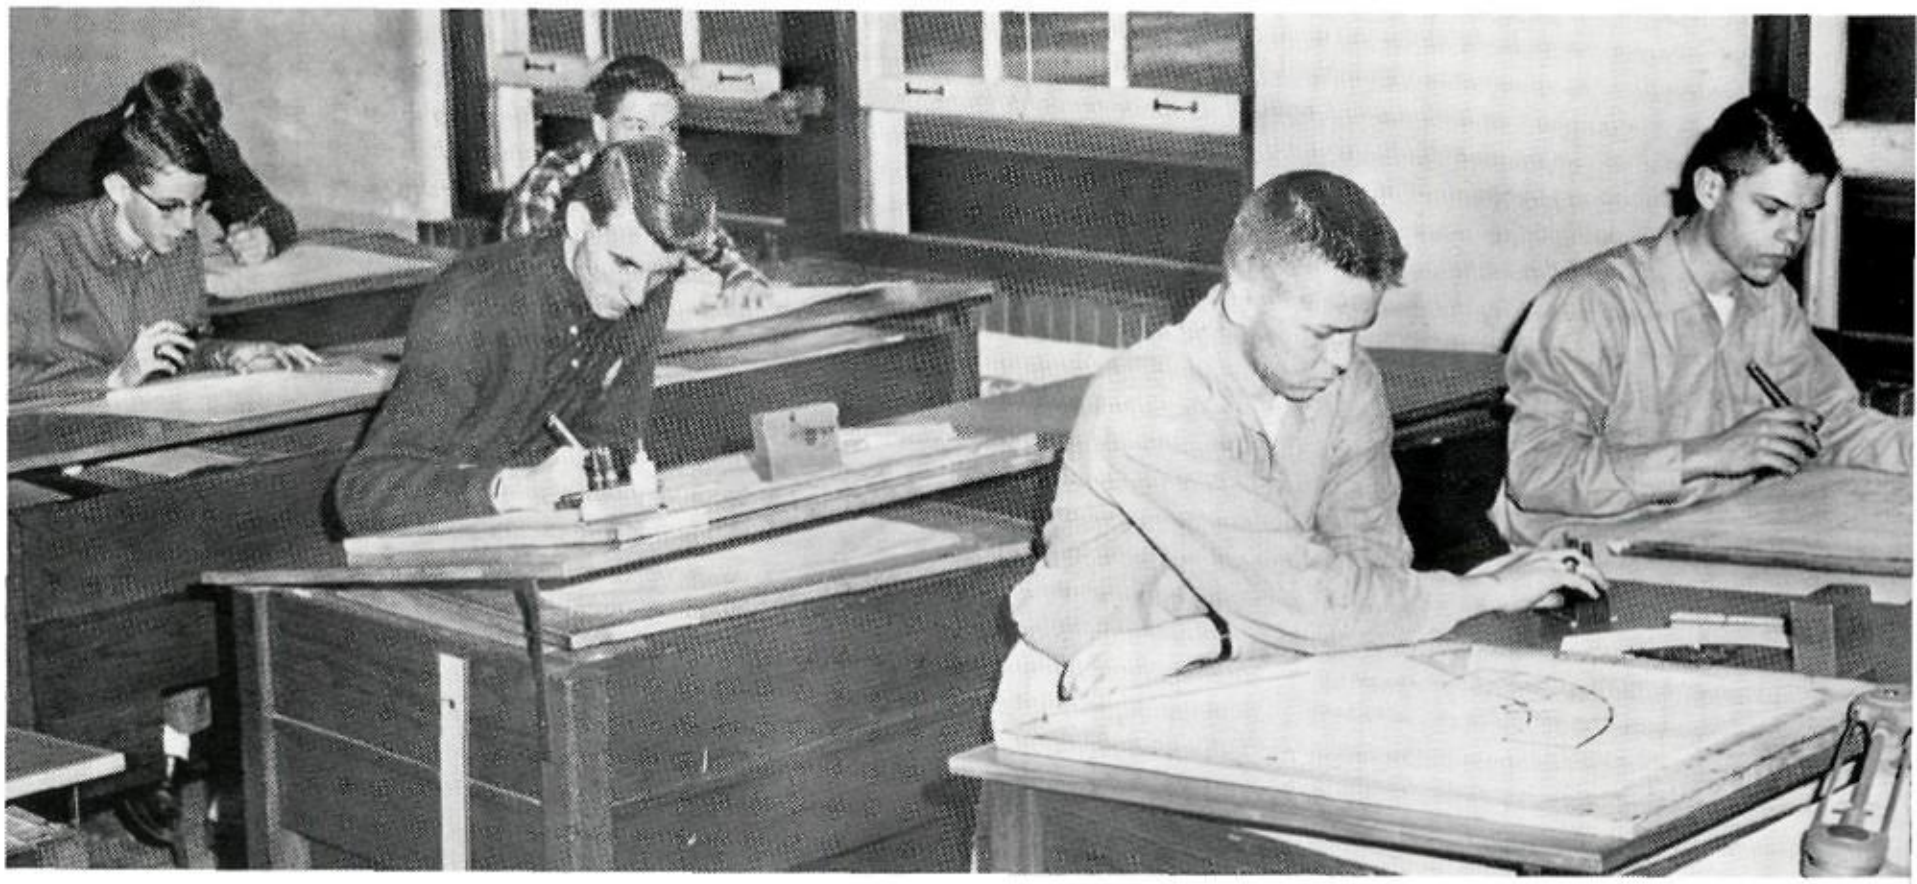
Working in the Combination Shop

Wayne works on decorative lawn furniture.



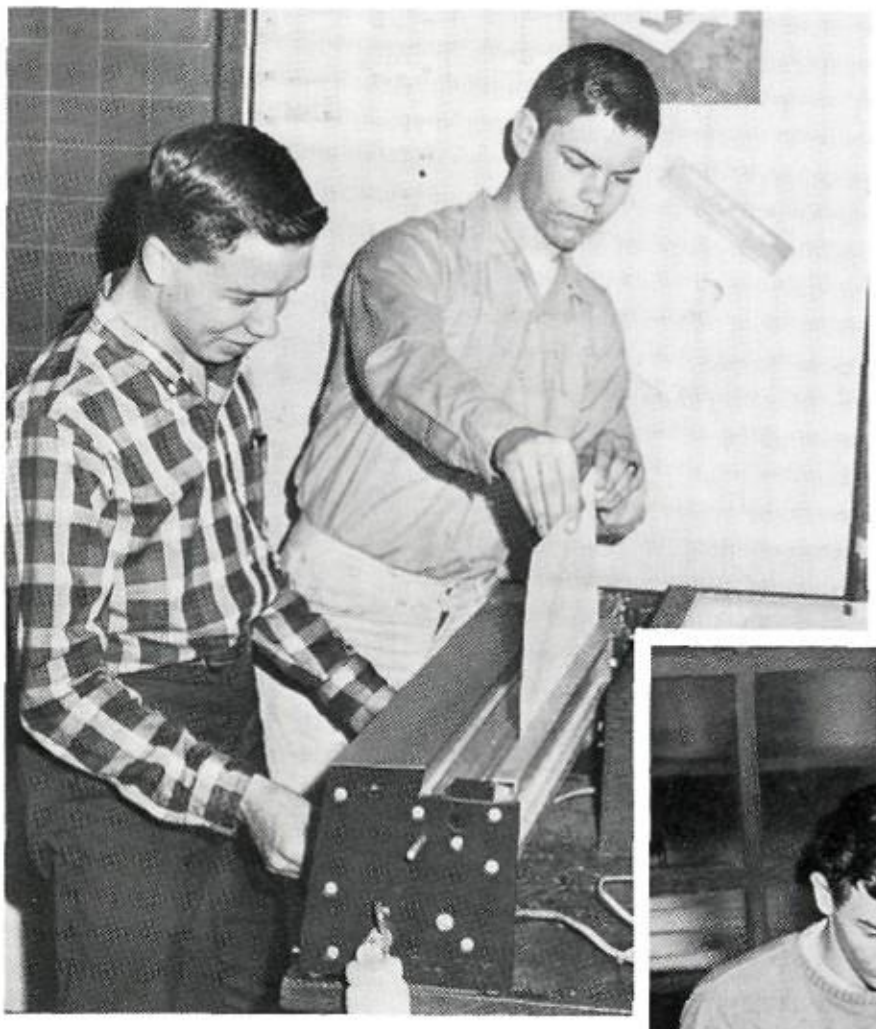
Olin machines metal on a lathe.





The after-school drafting class members create their own ideas about buildings.

Edwin and Lonnie prepare a blueprint.



Drafting Helps Boys to Further Their KNOWLEDGE

The after-school drafting class is primarily for students w have completed one semester of architectural drawing w a B average and desire to study above and beyond wh is taught in regularly scheduled semester classes. The s dent is free to create his own ideas with less emphasis the construction factor. Color rendering is by far the m important expected outcome of the class.

Thomas and Richard work on floor plans.

Mr. Greathouse supervises the dissection of a turtle.

Comparative Anatomy Challenges Science Students

mparative Anatomy here at Sunset is held every af noon from 3:45 to 5 o'clock. The class has no credit lue, and the occasional tests are for self-evaluation y. The course which is taught on the college sopho- re level is designed for A and B students. The stu- nts' work is done in class with no outside assignments, l each student works at his own rate.

Don begins work on a cat.

Dissecting a turtle is delicate (?) work.

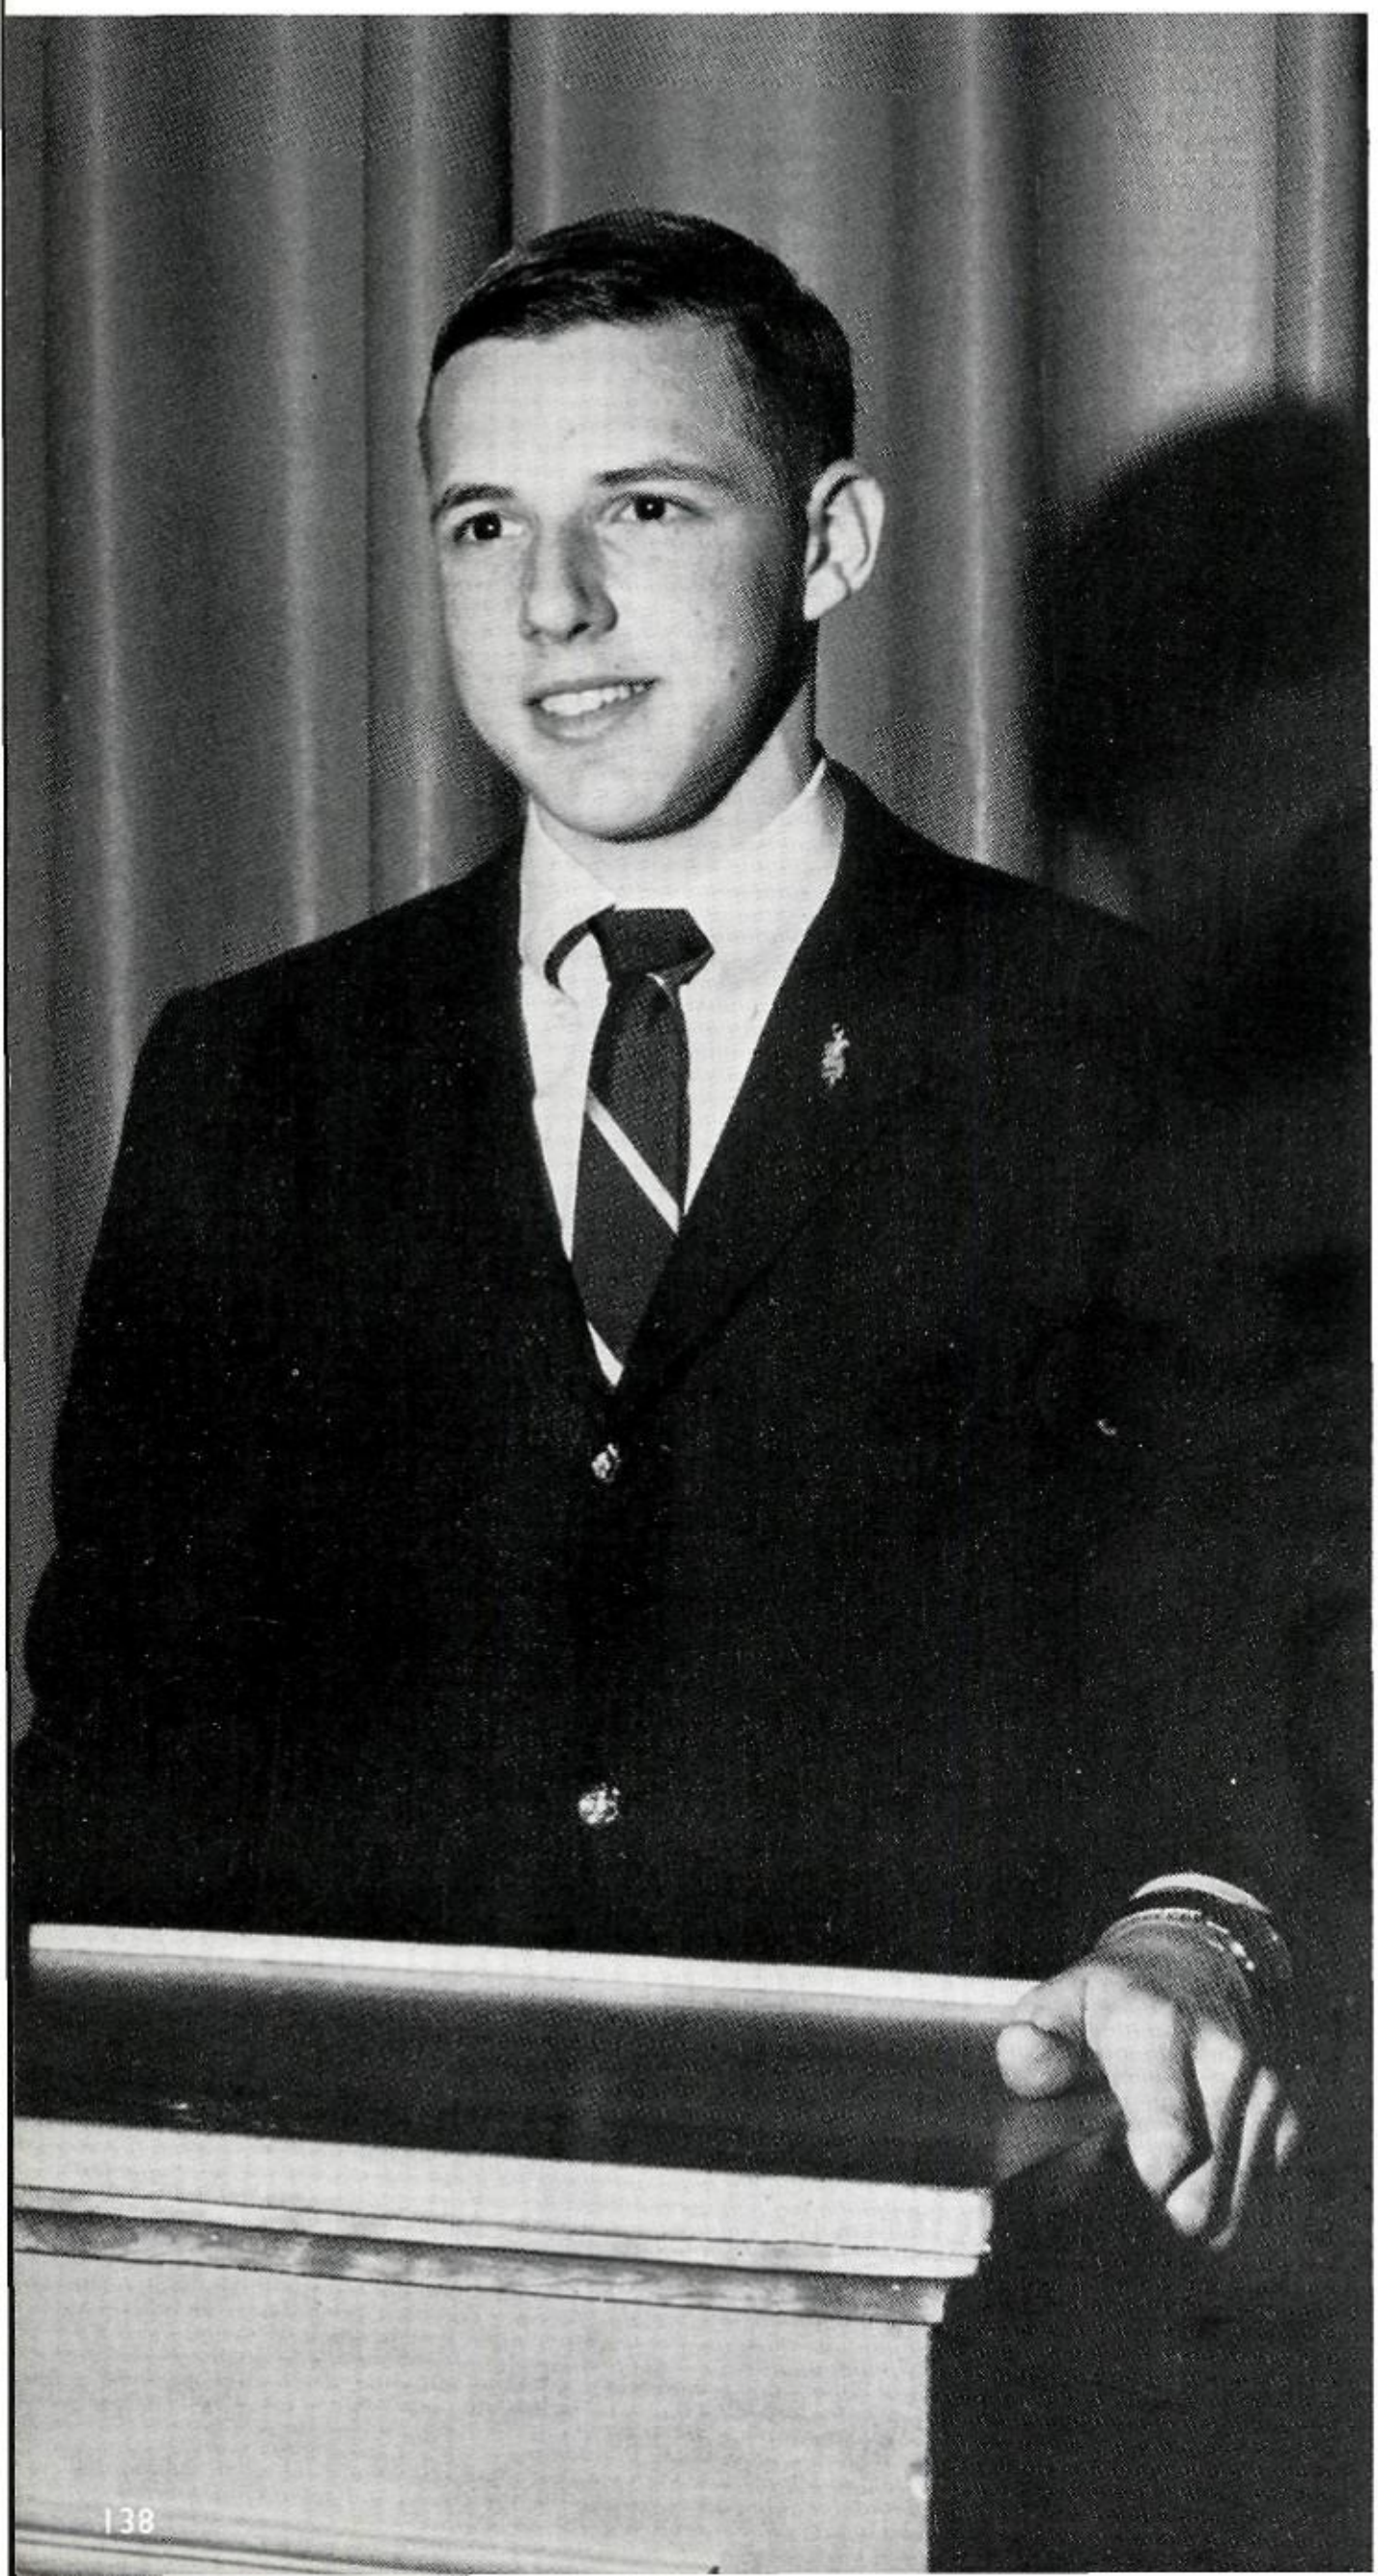
John Chilton Combines Bison Leadership With SPIRIT, KNOWLEDGE, FRIENDSHIP



Fellow Bisons,

As another rewarding year at Sunset comes to a close, we again realize the importance of SPIRIT, KNOWLEDGE, and FRIENDSHIP in the lives of all Bisons. Throughout this year we have felt the anxieties, disappointments, and victories which are life. We have learned to work well as a team, and Sunset has progressed because of our loyal participation.

To the seniors I would like to thank you for your loyal service to Sunset. Also I give my sincere thanks to the juniors, who will bear the burden of leadership next year, and I wish for your continued success. Sophomores, now that you have found your place on the Big Bison Team, I expect you to move ahead in all that makes Sunset great.

Now to the Student Council, which reflects the image of SPIRIT, KNOWLEDGE, and FRIENDSHIP and is composed of representatives from all three classes, I give a special thanks for your diligent participation in all phases of Bison activity.

On behalf of the Student Body I recognize that our accomplishments would not be possible without the dedicated assistance and thoughtful concern of our faculty and staff. We have worked together, each in his own way and Sunset is greater for our efforts.

Sincerely,

John Chilton

96 Seniors Elected to National Honor Society

ast February ninety-six seniors were elected to the ational Honor Society. This election climaxed months f expectation. Because fifteen per cent of the senior lass is admitted, the 1965 National Honor Society has the largest membership since the founding of the organization. During the spring the society sponsors a tea for parents and teachers, and the members' pictures are added to the National Honor Society gallery.

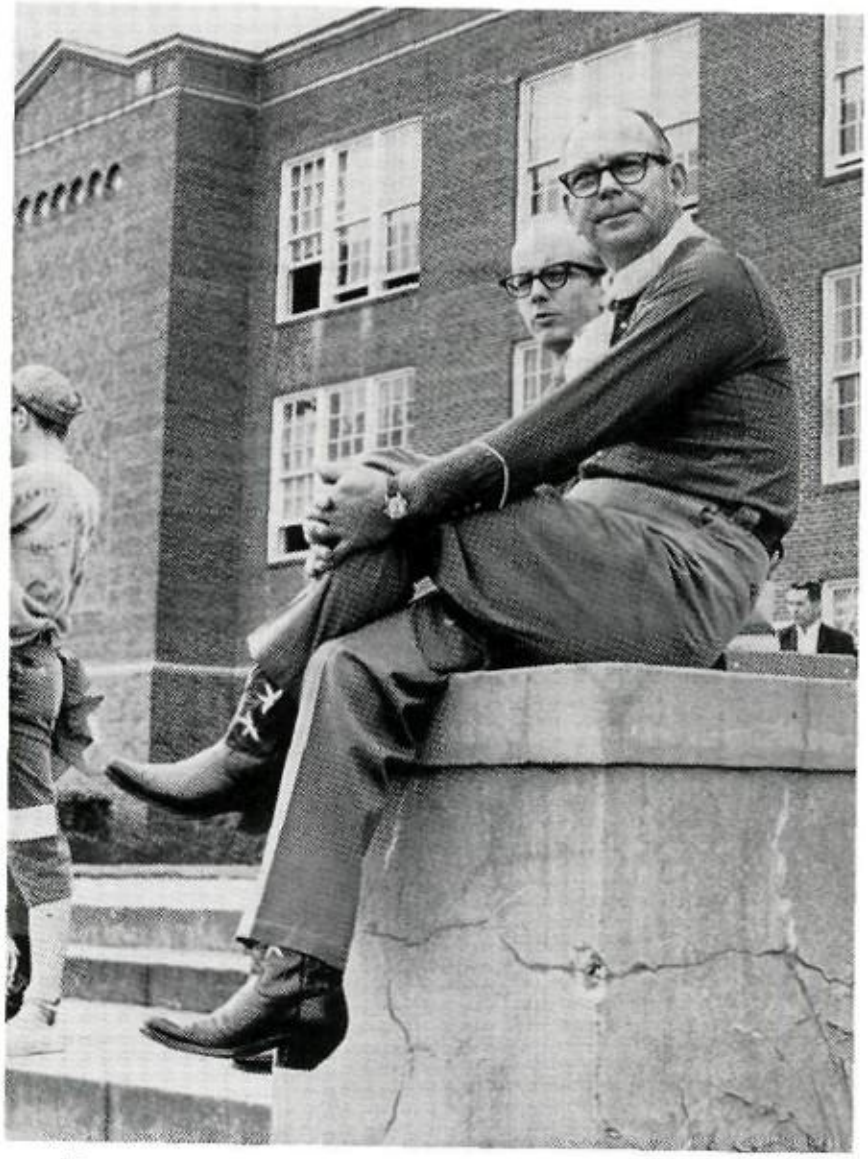
STUDENT LIFE

The announcement of the '64-'65 Cheerleaders is exciting for all.

Spring Activities Climax School Year

The senior play displays hidden talents.



Everyone observes the tradition of Tacky Day

All graduating Bisons are honored on Senior Day.

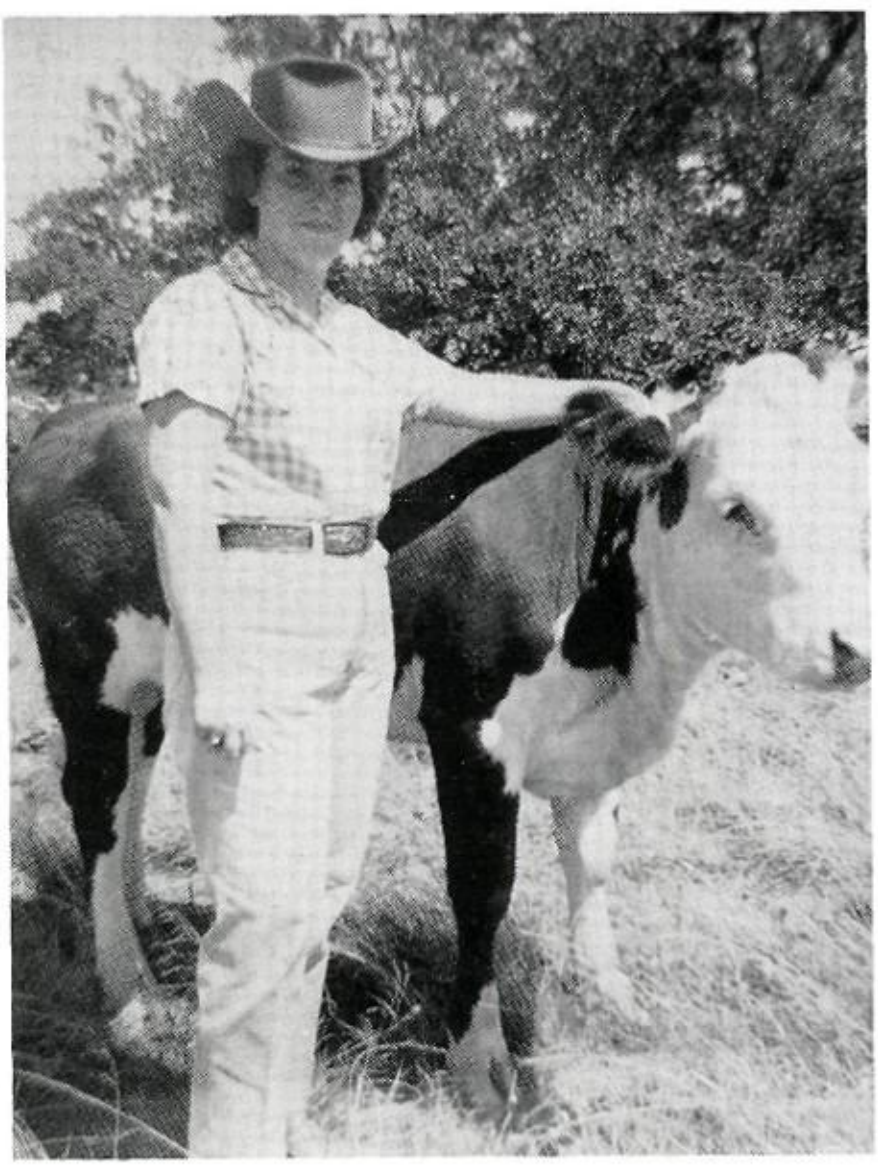
Dixie Thomas worked on a fashion board.

Guadalupe 'Lupe' Gavilanes is welcomed by Sunset band.

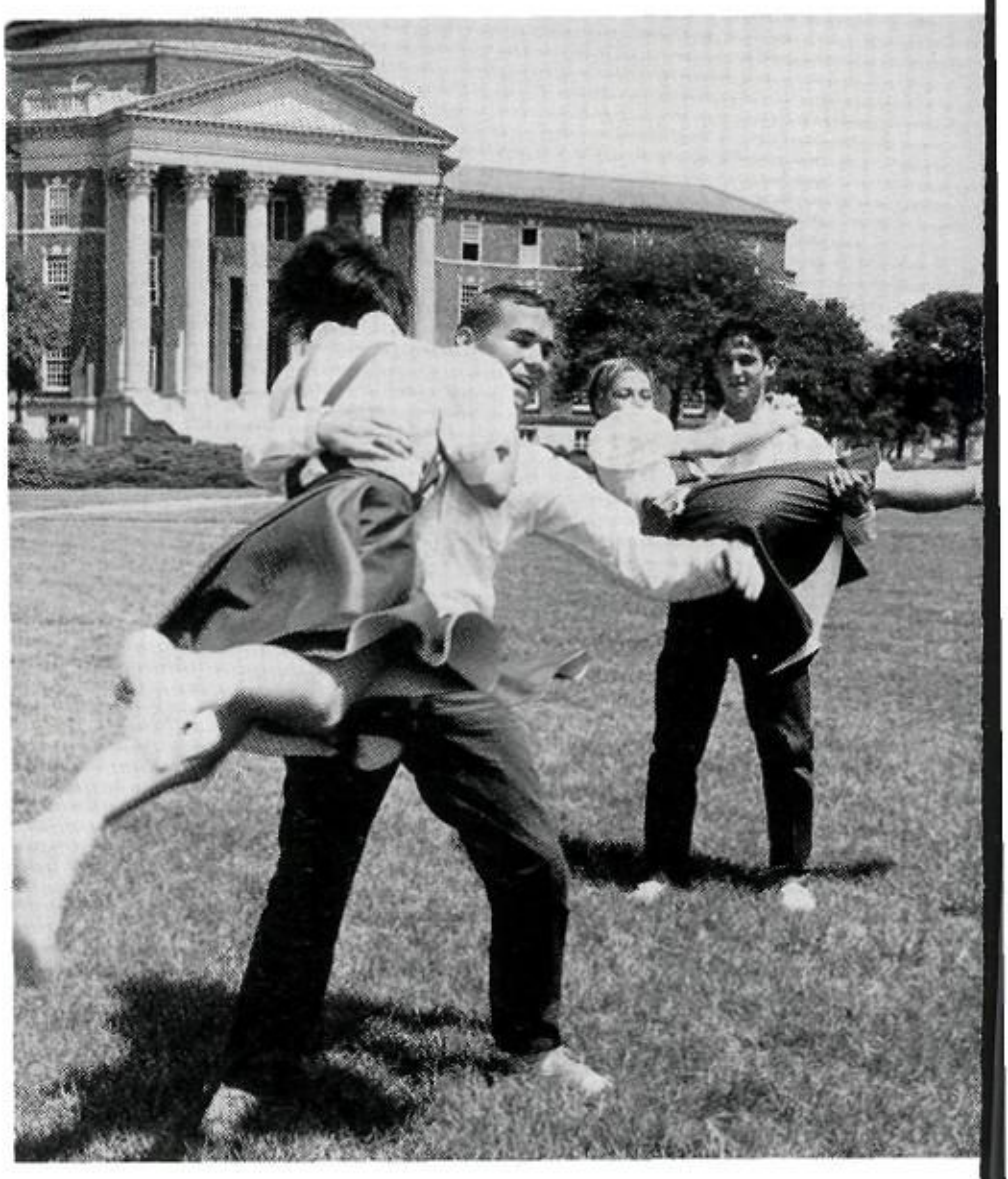
Sunset students retain their Bison spirit throughout th summer. Many combine work and play to make an interes ing as well as profitable vacation.

Summer Vacation Ends

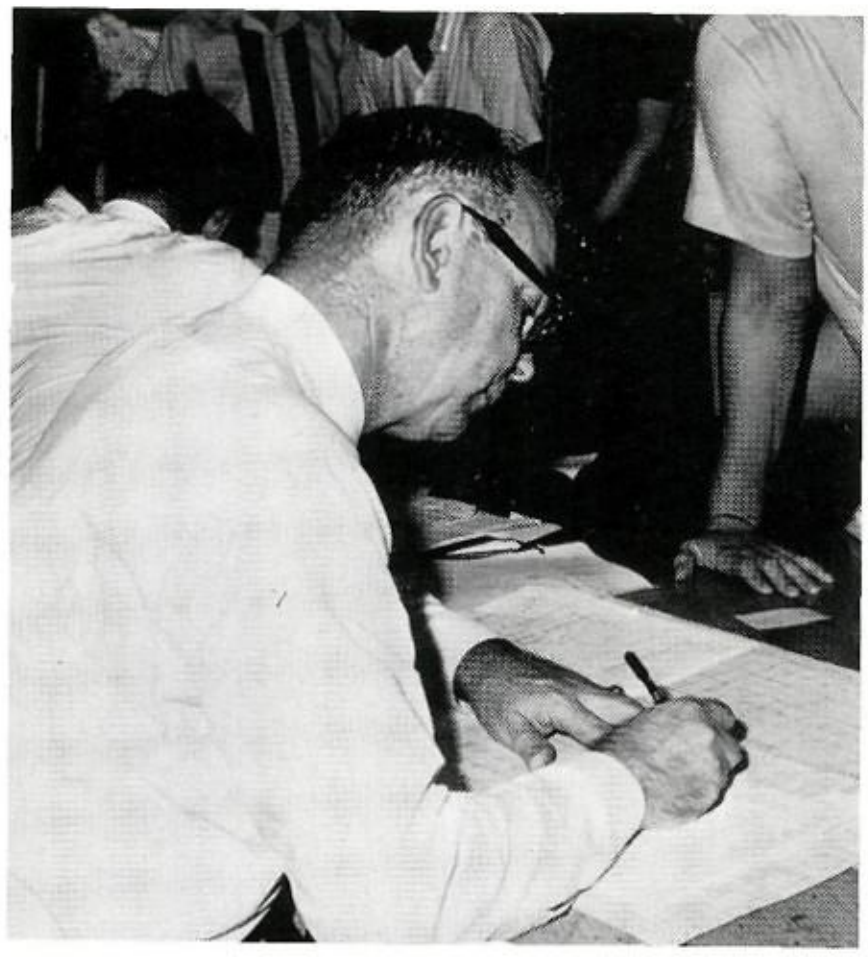
Diane Smith spent the summer on her 'Bison' ranch.



Cheerleaders attended one-week workshop at SMU.



The office becomes busy.



Mr. Griffin changes schedules.

hrough the doors of Sunset pass hundreds of stu-nts each year. The first days of each school year are ways hectic, exciting, and interesting. Making new friends, meeting the teachers, and becoming acquainted with Sunset traditions are all necessary to become a real member of the 'Big Bison Herd'.

Latin Club Holds Initiation Banquet

The Sodalitas Latina, better known as the Latin Club, began the year with the election of new officers. The Latin Club also held an initiation banquet in January under the direction of its new sponsor, Mrs. Gloria Phillips. In addition to these activities, the Latin Club sponsors the Sunset High School Chapter of the Junior Classical League, a national organization which promotes interest in classical arts and literature. The Sodalitas Latina strives to heighten interest in Latin as a language which lives today.

Officers plan District Convention with Mrs. Luther.

FBLA Sponsors Convention

This year the Sunset chapter of the Future Business Leaders of America completed another service project. In cooperation with Kimball High School, the chapter sponsored the District Convention. The members sold candy to finance the convention. At the convention the members competed with other schools in the business arts. In addition to the competition in the business arts, prominent businessmen acquainted members with the business world through talks about the various aspects of business.

"Now each one of you is to sell $10 worth of candy for the convention."

Students Plan Medical Careers

Through the Medical Careers Club, students learn about different opportunities in the medical field. They also learn more about the field in which they want to specialize by seeing films, listening to speakers, and taking field trips. The club's main project is a Christmas party at the George Loving Home for underprivileged children in West Dallas.

Club members listen to a lecture.

J.C.T.C. Attends Traffic Court

Every Saturday the members of the J.C.T.C. take part in juvenile court. Along with other Safety Clubs of the Dallas Schools, the members run a court for all students under eighteen who have received tickets for offenses such as jay-walking and bicycle violations. In this court they help try the cases and assign punishments. Besides helping to operate this court, they also attend safety conferences and enter the "Roadeo."

The Sunset National Forensic League is an organization composed of speech and debate enthusiasts who have earned the minimum amount of points for membership. Each entry in a speech tournament or in a debate contest counts, and the more points a member receives, the more recognition he receives. An NFL pin with an emerald, ruby, or sapphire, symbolizes the degrees. At the end of the academic year, all National Forensic League members are honored and are given a letter or a pin, depending upon their degrees.

Sunset debaters hold the majority of NFL membership.

Quill and Scroll Admits New Members

The International Honorary Society for High School Journalists, otherwise known as Quill and Scroll, admitted its new members at the beginning of the 1965 year. Membership is granted to those members of the Stampede staff who have received the required number of points for stories in journalism. Members of the Sundial staff are granted membership after working two years on the annual staff. Once one is a member, he is in the organization for life. The Quill and Scroll certificate reads as follows: "The International Honorary Society for High School Journalists grants to said person this award of honor in recognition of outstanding and distinctive service on the publication staff of the school."

Sundial and Stampede members find Quill and Scroll Society interesting.

Girls' Chorus highlights Bison spirit on Christmas assembly.

Do-Re-Mi Sets Pace for Girls' Select Chorus

The Sunset Girls' Select Chorus, which practices every day during fifth period, is composed of those girls who showed outstanding ability in reading music, singing, and sight-reading during try-outs. The chorus, composed of sophomore, junior, and senior girls, performs at Christmas and other special occasions and assemblies. This group of girls carries out Sunset's motto of SPIRIT, KNOWLEDGE, and FRIENDSHIP through song.

Fifth period is when the chorus polishes its work.

Chief, your a
real cool guy you missed
autograph at Cedar Rapids
must at Cedar Rapids. Will
have remove of that shit.
Larry Falls

Best of luck
to a great guy
who was never here.
Mickey Austin

Best of luck
in the future. Like it easy on
long trip. Take it easy on
long off the booze and
keep all your bodies be
big spenders.

Chief,
It's been great knowing
you these last 3 years.
Sunset. Of course you were
absent as much as you
were present at all. TUFF Kayo
you have clean for the
rest of your life. Good luck
in anything you do.

Chief
You're a great guy
in any history class
I ever in the
future. Best of Luck
always Floyd

Chief,
you can't imagine how
glad I am that you're
graduating, maybe from
now on when Squeaky
calls me in it will be
for something Fine done.
We've had a lot of laughs
in History and you've
been a good friend and
also a good booger.
Best Wishes and Lots
and Lots of Luck in
the future.
